“ Went to school with Ricky and we had some really great times. We also loved to go out and dance together and we had a standing joke who danced better and I said it had to be me because he was older than me, he would than proceed to call me an old lady. Well Ricky don't call the angels old ladies and who know if the angels can out dance you but I'll place my bet on you. Love you and be have until I get there.
