“ Rest in peace Bob. I'm so glad for the time we spent together at the RFHS reunion, reliving our 60 year 'brotherhood'. From walking to school together to school to running countless miles in track and cross country. One only has a few real friends in their life and I consider you one of mine.

“ Bob and I went to school together and played a lot of baseball and had a lot of fun. Bob was a great assistant griever and a very caring individual and loved his family very much. Even though I moved 500 miles north after retirement, he still kept in touch with me. Rest in peace my friend.
