“ *Ronnie was a special cousin, totally devoted to her family. My special memory of her devotion to family was the time she made baskets for my daughter while competing in a pageant. Ronnie made baskets to give each girl from every state in the pageant. She did this on her own accord, spending countless hours and money to do so. She will be greatly missed. Sadly I can not attend her service as I am out of town caring for my grandkids. Prayers to her family* ❤️

Ronnie will be missed by so many. I have so many sweet memories of us growing up at Koontz Lake. I remember being at her house so often when her Dad came home from work and kissed her Mom on the cheek. Turned to us and said "and how are you ladies today?" Love and prayers to all her loved ones.
