“ I hope you all are doing ok, I am praying for all of you, breaks my heart to know that he had such a tough life. To young to die! Some of my favorite times were when we would hangout in his room and play music, and ride our bikes around town he had the coolest orange bike everyone Loved it. We also had a paper route together and when we had to go and collect money for the month he would deliver all of the papers & have me get the collection because I got better tips than him and bake goods and Candy and pop from our customer's, then would slit everything.

“ I remember the times he spent with Cole. He was family oriented. When Kendra told me about how Pita took to him. He was so good with her. Thank you for having such a wonderful son who uncled our shared grandson and granddaughter and was kind to Kendra. I am so sorry for your loss. I can not even imagine losing a child before my time. God only knows with His mysterious ways. Love to all of you. Sheila & Evelyn - Kendra's Gramma
