“ Sorry to hear this she was a nice little ol lady I use to go to her house for years and shoveling her sidewalks and areas for her dog to use the bathroom she'd come out the door and say god bless you sweetheart and cry many times that I had helped her just out of kindness my kids would go there every Halloween dressed up she would be so tickled because she didn't have trick or treaters that stopped every Thanksgiving we would load up dinner plates and take her food she would be so happy I will miss her
