“ a great lady who never missed a beat. My last recollection of her was that she reminded me I hadn't answered her last letter. I'm glad I got that done!! She prayed for people--including me--every day. Good bye, Mom's college eoommate. See you later.

“ Ruthie is such a precious person. She loved the Lord and her life showed it. She and my Mom, Violet Minter were the dearest of friends, though they lived very far across the country from each other. My mom is nearly 102 and she and Ruthie loved each other like sisters. They wrote to each other for years and years. God Bless you, Ruthie. You are in the arms of Jesus now.

“ Dear family of Ruth Boldebuck, We fondly remember Ruth. We enjoyed her friendship at Argos 1st Baptist in the 80's-90's. She was a gracious sweet Christian lady. Our sympathy, Michael & Karen(Good) Gordon

“ Ruth and I met in the 1990's while attending the Bible & Prophecy Conferences at Winona Lake, IN. I drove there from MI and year after year we were thrilled to hear the world's greatest Bible Prophecy speakers expound God's wonderful plan for the ages. What a joy! What happy memories! Later I moved to CA and though we lived far apart we felt close with our constant frequent letters. Ruth loved the Lord and His Word and had a sweet optimism and thankfulness about life. Her desire was to please God every day. Her last words to me were (through Vikki from the hospital) "Tell Vi I'm okay with this" (that is, her sudden illness and impending death). "Bye for now, Ruthie! See you in Heaven!"
