“ As a young teen I became best friends with Sams daughter April. My family decided to move and I wasn't ready to go. Sam and Lori took me in and gave me a home until the end of the school year. They treated me like one of their own kids and I greatly appreciate everything they did for me! I'm so sorry to hear of Sams passing but am glad that he is no longer suffering. To Lori, April, Catherine Julie, Sammy, Eve, Brad, and Shane I am so sorry for loss and my thoughts, prayers, and love are with you all!

“ I am so deeply saddened by the passing of Sam.

*I was privileged to have Sam in my Science class at North Liberty when he was in 8th grade and he was and will always have a very special place in my heart and memories.*

*He was always respectful and and I have thought of him many times over the years and how he made such an impact on me as an individual. There were many times that when I needed something done, Sam would not hesitate to help if I asked for his assistance.*

*He will be missed by many but his memories and caring will live on in his children and those he leaves behind.*

*Our thoughts and prayers go out to his family during this time.*

*Sam, thank you for enriching my life...even though it was only for a short period of time, your memories will always remain.*

“ God Took Him To His Loving Home God saw him getting tired, a cure was not to be.He wrapped him in his loving arms and whispered "Come with me"He suffered much in silence, his spirit did not bend.He faced his pain with courage, until the very end.He tried so hard to stay with us but his fight was not in vain,God took him to His loving home and freed him from the pain.Anon

“ *It gets a little easier each day, but there's not a day that goes by that I don't think about my dad. Sometimes I find myself doing things that he would do. And it's all subconsciously. I'll even see remnants of my dad in my mom or sisters. It undoubtedly true that his absences have affected the past four or so years. But, nevertheless, our family has achieved many accomplishments and met some amazing people along the way. I can't thank God enough, though, my dad passing away prepared me for the next chapter of my life, and I have enough memories to last a lifetime.*
