“ I can still recall, many years ago, watching "Scotty" skate across the frozen ice at the lake. As a little boy, teetering along the ice that had been cleared off by the kids to play hockey in front of the Brovold house. More recently I remember having a nice chat with Scott just last summer on a beautiful sunny afternoon talking about high school, friends, work and life in general. He always made the time to drop by and say hello when he would see my car - he knew I was in town. He was always friendly and always so nice and pleasant to talk with. I will surely miss chatting with Scott. He was a gentle giant and soul. God bless to Dee and all the Brovold family and loved ones.

“ Scott was a friend to all. He let my friends and I use his car, on occasion, in high school, to run errands or even just to goof off. We asked, he gave. And as he got older, same way. He was involved in raising money for ABATE/kids. My kids will always remember him as the guy who rode the motorcycle with the helmet of horns. I will remember him as the big guy with the big heart! Rest in peace, Scotty! You're with both fathers now. Kathy Frazier

“ It was very sad to hear the passing of Scottie. I met Scottie about 8 years ago as I was a frequent visitor to The Swan Lake Resort, the company I worked for had a plant in Argos, IN and I spent many nights in the bar. We became friends over the years and Scottie was a gentile giant of a person with a heart of gold!

*I am very proud to have known him.*
