“ When United Telephone/Sprint closed the Walkerton office, Sharon came to work at the Plymouth office.

*All us "gals" worked our tails off but during our slow time we had great discussions-great munchies to eat on-lots of laughs.*

*I remember Sharon's smile and how much she enjoyed life. I remember they used to rent a cabin at Potato Creek State park and enjoy a long weekend now and then.*

*When I heard she was ill I sent her a few cards this last year or so and I hope she remembered who I was. in fact I was getting ready to send out a Halloween card to her and sevral other Sprint retirees who are homebound.*

*I hope when I get "upstairs" so to speak she will meet with me and we will have a good laugh about those good old days at Sprint.*

*She was a real special gal and I will never forget her.*

*So sorry for the famiy's loss*

“ I remember at United Telephone when Sharon would make her chocolate angel food cake for a carry in and it would disappear as soon as it hit the table.
