“ Saying good-bye to someone you've known your whole life is never easy, and the memories are too numerous that I don't know where to begin. I guess they all started at Boady's cottage in the 1960's(Gosh...we are getting old). All the bonfires and parties we had there over the years. Everyone enjoyed being around Sherry because she was the spunky one, always seemed to have a zest for life. All the fun times we shared at Kathy's pool parties, the crazy times over at the Melvin's cottage, and let's not forget about the, "Coal Mine." It was a hoot when all of us would go to the ski-jump and soap-up our boat cushions and slide on down. Or, what about our midnight party cruises to the big lake, where we would tie all the boats together? Yep....Sherry was a lot of fun thru the years, along with the rest of the family. She would crack me up with her silly comments or orneriness, and Lord forbid....you wouldn't want to get her mad at you!! My heart goes out to all of ya's. Sherry will be missed, but the memories will never leave us. I love you guys. You really have been my 2nd family.
