“ *So sorry ans shocked to hear about Tim's passing. We had been friends since grade school and although I haven't seen him in years, always regarded him as one of my best lifelong buddies. We graduated together and worked together at Commercial Honing in Hamlet and always had fun together jumping the dunes at his mom's place with his red Jeep, racing our cars down SR 23 and just about every other mischief that two young guys can get into My thoughts and prayers are with the entire and regretfully due to some health matter tests of my own, I will not be able to attend the services.....I am sitting here grinning about the good times we had. Rest In Peace, My Brother. I will never forget you :(*

“ My deepest sympathy to the family. Tim and I were in Boy Scouts together when our troop met on his family's property. Tim was my Patrol Leader. I wish to extend a personal message to his brother Mike who was my 6th grade teacher. I'm sorry for your loss. May Tim rest peacefully.
