“ My memories of my mother are of great love for her family and friends. She was always gracious, caring, giving and loving to everyone. During her last days here on earth she said, " The world is LOVE".  
Thank you to all who knew her, and returned that love to her.  
Loving Daughter, Peggy

“ Grandma was very influential in my life. She was always there to listen, provide support and to give guidance. Grandma was fun loving and if you were feeling down she always had a way of lifting your spirits up. Her spirit will live on forever in my heart, mind and soul. Take care Grandma. I will always feel your presence.

“ For Grandma to go home is a mixed blessing. She's no longer in pain, but we had to let her go in the process. She was a wonderful woman who always made us laugh, even in her final days. She will truly be missed by all of us. Love, Joe, Laura and Jessica Mendoza

“ My Aunt Virginia was the most loving and caring woman that I ever knew. She would always be there if anyone needed care or help. She helped me in so many ways, but especially with understanding my own mother, her sister. She will always be missed, by everyone that knew her. I am sure that God has a wonderful place for her for eternity.
