“ I will never forget the summers that I spent with you and Grandpa. I will always remember how you would take us fishing and let us help clean the fish that we caught. I know that you have touched a lot of people's hearts over your life time on earth and I'm sure that you will keep on touching lives as you are in heaven.

“ My grandmother was always looking out for grandfather for as long as I can remember. She had a heart of gold. She spoke words of wisdom to me from the Lord in person and letters. I am sad that she is no longer with us but am happy for her she is re united with my grandfather. She truly was a gem.

“ Although I was only your Granddaughter by marriage, I hope you know how special you were to me. Thank you for giving my husband, John, so many wonderful memories. I don't have as many memories as him, but I will miss the most your wonderful stories and your laughter & smile. You also had the same love for sweets that I did as I liked seeing your eyes light up when we would bring you chocolates. May you be at peace now and reunited in heaven with the ones that have gone before you.
