“ I just realized who Wanda was we started 1st grade together at Washington township Elementary School (That's no longer there). I remember Wanda was very quiet, which I wasn't.

It's very sad how many of my friends and class mates that are passing away, in just the last couple of years. In 2025 we would be celebrating our 50th class reunion. To Wanda's family and friends I'm so sorry for your loss. Wanda rest in peace my grade school friend.
