“ He was one of a kind.It won't be the same, walking in the restaurant, and not hear his booming voice, and sense of humor. He could always make me laugh. He left an impression on everybody that knew him. There was not a single person that didn't know how he felt on any subject.You always knew where you stood with him.
We will miss him.

“ I am so sorry to hear about Whimpy. I loved him dearly. Ok so I loved to argue with him. He was the highlight if going into the restaurants. If you were in a bad mood. He could get you out of it just by picking on you. He did not care if you were a man or a woman. He is going to be greatly missed.
