“ Rest in peace cousin Sissy. As kids, we spent our weekends with Grandma Emerson & Harry, (we probably had the only grandma in the world who would make prank phone calls with us!) -As adults, you reminded me so much of your mom. You had the same easy-going attitude and warm smile that she had. I pray that you are now with your mom, Uncle George, grandma, and Harry, and that you are watching over all of the people you loved. My condolences to the entire family.

“ My thoughts and prayers go out to everyone who is missing Sis. I never got to know her that well, but loved her and felt her love all the same. As a kid, I was enamored by her beauty and as an adult even more so, truly an awesome person heaven has gained.
